

The boys in the Bumblebee and Butterfly rooms are delighted with the new garden playground. We have a big swing and a very popular climbing frame. The weather has been so good so we've been making great use of the garden.

Our school tour was a great success. We had an in-house tour this year. We had a lovely pet farm visit the school. We also got McDonalds. They were the nicest happy meals ever!!

School Tour

On Thursday the 24th of June we are going on a tour to Dublin Zoo. I think it will be fun. I want to see the pandas because they look like cool bears. I also want to see the sealions and hopefully some fish. It will be a fun day. Ty Stephenson Byrne, 2nd Class

Easter Camp

During Easter we did a really fun camp with Ms. Ryan. I got to meet other boys from the other classes, we did lots of learning but we also had lots of fun. My favorite part of the camp was our visits to the sensory room. I loved playing in the ball pit and on the trampoline. I can't wait for the summer camp. By Braydon McElroy 4th class

Zumba

Sometimes we do Zumba dancing on Wednesday mornings and Friday afternoons. Myself and the boys in my class love it and everyone gives an amazing effort. Ms O'Callaghan does all the moves and we follow after. My favourite song of them all is 'Believer'. By Cian Mooney

SPORTS DAY

We had sports day on Thursday with different stations. There was crab football, relay races, football, handball, long kick/throw and musical statues. It was the best sports day we have ever had. Our most favourite station was the long kick/throw. By 5th/6th Class

Future Day

We dressed up as children from the future. I made my costume with reused bottles, paper, tin foil and slinkies. We made it look like a rocket backpack. The other boys dressed up as well, Sam and Antoni's costume were very cool. There were prizes for the best costume, some boys won ice-cream vouchers. Nathan Jackson 2nd Class

The Highlight of 2nd Class

My favourite parts of 2nd class this year was the boxing, the petting farm and the futuristic party day! We had lots of fun this year. I also loved the Writing Competition about a futuristic school! I really enjoyed getting to write my own story. I also really enjoyed planting potatoes with Michelle. She taught us how to take care of them so that they grow up tall and healthy.

Kayson Nolan, 2nd class

A message from the Home School Liaison Teacher.

It is hard to believe that we have come to the end of another year. Thank you all for your continuous efforts and working with us throughout the challenges. I think it is safe to say we are all looking forward to a well-earned break. Have a safe and enjoyable summer. Best of luck to the boys in 6th class who will be sadly leaving us! We look forward to welcoming our new pupils to the school and seeing the rest of you back in September! Stay safe, Róisín O'Callaghan

Math's 4 Fun

On Friday's, we do Maths4Fun. There are different stations. Some stations do jigsaws, some do style trays, laptops and math's board games. I like Maths4Fun because you get to learn new things and you get to use the computers. My favourite Maths4Fun is doing jigsaws, they are very fun.

Anthony Kerfoot, 2nd Class

Science Blast

We entered the Science Blast competition and we did very good. We wanted to see if our fingerprints are hereditary which means they look like our parents. We looked at 3 types of fingerprints: the loop, arch and whorl. We had lots of fun and found out that 74% of the kids in our school have the same type of fingerprint as their parents.

Hammam 4th Class

GAA with Jay

We started GAA with Jay a few weeks ago. We play games like scraps, spick and sprouts, and pig and sticks. We learned how to pass the ball, kick the ball and bounce the ball. It was really fun! Muhammad Nasir Toqir, 2nd

Hot Lunches

The new hot lunches arrived and we have all really enjoyed them. Some of us miss the rolls but most of us like the new lunches. My favourite is the meatballs. Ciaran 5th Class

NEWS2DAY

Every Wednesday we go down to do drumming in the hall. There are lots of different instruments, for example, bells, bass drums, shakers, hand drums.

On the second last week of our drumming, news2day came in and interviewed some of us. They asked questions like 'Do you like drumming?' and 'What is your favourite instrument?'. We very much enjoyed drumming, playing for News2Day and our school in our performance. By 5th/6th Class

Scoil Íosagáin

Summer 2021 Newsletter

Dear Parents/Guardians,

As we reach the end of a tough school year for all in our Scoil Íosagáin community, we are hopeful of brighter days ahead for us all.

I would like to take this opportunity to thank you all for your support throughout the year. I acknowledge that the return to online learning after Christmas was difficult for everyone however along with your support, we all got through it!

Despite the second lockdown, life returned to normal in Scoil Íosagáin and we were back in action, excelling in all areas of school life. Boxing and G.A.A began with Ed and Jay and we enjoyed our stint on t.v twice, doing what we do best. Our participation in Science Blast online again and our super A.R parties were enjoyed by all. There was something for everyone in the audience!

We also owe a huge amount of gratitude to the amazing staff here in the school that play a huge role in making this Dublin 12 institution a great one. I cannot name them all here but they know who they are.

We celebrated our legendary 6th class of 2021 on Monday, bidding them a fond farewell and wishing them all the best for September in their new schools. They did us all proud this year.

Schools out..... have lots of fun!

Until September,

Go raibh míle maith agaibh agus slán,

Aoife Wryne.

Thank you to the Parents' Association and Board of Management for all their hard work and continual support to the school throughout the year. We are very lucky to have such great people work on behalf of the school for us.

Lego

We got to play with Lego on our school tour. We made a crane that worked. It was fun but I wish we could have played with them for longer.
Brandon 4th Class

Art Gallery

We got to do a zoom meeting with people who work in the Hugh Lane Art Gallery. They were really nice and they let us make papier-mâché bowls which we got to decorate. My favourite part was painting the bowls with different colours.
Mario 5th Class

BOXING

Every Thursday we went down to Ed to do boxing. We did lots of exciting different activities, for example, body sparring, burn out, sprints and the plank. We enjoyed boxing because we got to practice our boxing skills and our fitness while having fun. It was enjoyable to have boxing as part of our sports day. 5th/6th Class

Green Fingers

This year we planted potatoes in 2nd class. Before we planted the potatoes, we had to pull out the weeds in the flowerbeds. The potatoes will ready to take home at the end of June. We also planted carrots, spinach and radishes. Muhammad Nasir Toqir 2nd Class

The AR Party

On Friday the 25th of June we will have our AR party for the boys who have reached their target. As always it is a surprise but they say you don't want to miss it... All of the boys made a great effort with their reading this term. By Tiernan Simunyu

School of the Future

There was a short story competition in our school organised by Mr O'Meara. It had the theme of 'School of the Future.' It was really fun. We even had a dress up day!!! Our winners were Caleb (3rd/4th) and Liam (2nd). There will be two senior winners as well.
