

LEGO CLUB

TOMMY; I enjoyed the Lego club because I get to build robots, boats and a hospital. It's fun because I get to spend time with my friends.
TYLER; It's really fun because you get to play with your friends and help each other

Thank you to all our wonderful parents for their continuous support and patience over the past few months. It was great meeting some of you at our book club and classes. Keep an eye out in the new year for any more online and face to face events. Wishing you all a safe and happy holiday this Christmas and a wonderful new year.
Róisín O'Callaghan, HSCL

The Butterfly Class

The Butterflies have been preparing for Christmas creating beautiful pieces of Christmas art and learning Christmas songs. Everyone is really excited for Christmas and excited to see what Santa brings

The Bumblebee Class

The bumblebees had great fun making a zoo and a farm in art.

Science Week

In Science Week we went to the hall to do some experiments with Sixth Class. We also made rocket cars with balloons and straws and bottles. We tried using tape and rubber bands and it worked.

Life Skills Programme

This month we have been participating in a life skills programme with Nino and Sinead. We have learned about self esteem and decisions the last few weeks. I learned that everyone has self esteem, good and bad. I also learned about how to make a decision. How to stop, think and then make my decision, whether they're big or small!

SARI Workshop- Sports Against Racism Ireland

On the 5th of November, three members of SARI came in to talk to 4th, 5th and 6th class about Racism. Firstly, we talked about different reasons people were discriminated for (race, disability, homophobia, sexuality and gender). Then we played some games to show what discrimination feels like. I enjoyed learning about discrimination and how it affects our lives and also really loved the games we played.

BenDaniel Mbu- 6th Class

SARI

A few weeks ago SARI volunteers came in to teach us about racism, sexism, homophobia and disabilities. We played a few games and each game had a meaning behind it. I had a lot of fun and learned a lot from the games as well! Shane K

Dog's Trust Workshop

The workshop we had with Dog's Trust was one of my favourite things we have done this year. We watched videos that showed us how to take care of and treat dogs. We took quizzes on what we learned after the videos. The videos were animated and gave us examples of scenarios we might be in with dogs. It gave us advice on different problems and questions people might have about dogs.

Mason McAvoy- 6th Class

The Magician

We drew our 'Magic of Childhood' pictures and our reward was to watch a magic show. The magician's name was Joe. He did lots of magic tricks with a balloon. He also called kids up to help with the magic tricks.

By Conor Rogers

Minecraft Education

Over the last few weeks my class have taken part in a Minecraft education competition. We built our own houses, we created our own Islands and we build a rover up on Mars. I loved doing the Minecraft every week in school because I have lots of fun with my classmates.

DECORATING THE CLASS XMAS TREE

FINN; I liked the nice baubles on the tree and I found it really fun because you got to decorate the class Christmas tree.

SÉAN; It was fun to decorate the tree because I got to do it with my friend. I put on hearts, baubles, stars and tinsel.

One Million Tree Campaign

On the 17th December green schools went out with Mrs French and our caretaker Liam. We went out to our garden to plant trees, Firstly we found 5 spots to plant trees, Secondly we dug a hole with the shovels, then we put manure and compost on the trees and shovelled the mud back in. Finally we all got hoses and watered the mud and trees. The reason for this was to grow new trees for our school and get our Bio diversity flag. Most importantly is to stop climate change and make the world a better place.

Hamse Omar 6th Class

Science Show with 6th class:

From the 7th to the 14th of November we had science week. We did science experiments in the hall for all the other classes . These included making a volcano, magic milk and dancing raisins. I was on the magic markers station with Brooklyn. All you have to do is draw something on a plate with a whiteboard marker , after that you pour water on the plate and the marker will float. My favorite station was the volcano.

Sam Holohan Brennan 6th Class

Homework Club

We do homework club every day after school. We do our homework in it. We do it in school upstairs. It starts at half 2 and ends at half 3.

By Harrison McCabe

Bike Doctor- Cycling with 6th class

Every week Eoin comes in to help us learn how to cycle our bikes. He gives us obstacle course and different exercises to do on our bikes. He teaches us how to break correctly and how to read different road signs. At the end of the workshops we will get to cycle together on the road and use what we have learned about road safety.

Evan Madden- 6th Class

GAA

CONAN; I like GAA because I get to play with my friends, learn new skills and have some fun.
REHAN; I love GAA in school because I get to practice kicking, hand passes and solo's. I also like to play within a Team

Scoil Íosagáin Christmas 2021 Newsletter

Merry Christmas

Ho, Ho, Ho everyone!!

Dear Parents/Guardians,

I would like to extend my thanks to all of you who have supported the school so much in 2021.... We know things have not been easy but the boys have been absolutely brilliant throughout the year. 2021 has been a difficult year for everyone and a lot of new guidelines have had to be implemented in our school over the past few months. I am so proud of all the boys in how they have coped and have just taken this all in their stride. Even though we have had to cancel certain events, they kept everyone's spirits up and rallied on. More importantly, we have managed to pack a huge amount in since we returned in September and I hope you enjoy reading all about this.

Thank you to all the parents and guardians who have helped and supported the school during this time. It means a lot.

Also, I want to thank all of the staff, new and old to Scoil Íosagáin. Without their care and commitment, we would not be able to keep the show on the road. The teachers and SNAs have worked extra hard and have kept our school a safe and happy place to learn. Nicola, our secretary, Anita, our gourmet cook, Liam, the caretaker and Mary, the lollipop lady - I cannot thank you all enough for your ongoing efforts and dedication to the school.

On behalf of everyone in Scoil Íosagáin, I want to wish you all a wonderful, safe and fun Christmas. We hope to see you all back, ready for action on the 6th January for a better and brighter 2022!

Nollaig Shona Daoibh,

Aoife Wrynne

School Closure

School will close Wednesday 22nd
December 12pm

It will re-open Thursday 6th
January at 8:50 am
